# Why advertise with us?

Tulip Publications (established in 2006) publishes the community magazines - Three Villages and Frimley Focus - which are hand-delivered by a reliable team to circa 6500 households per area.

**The Three Villages Magazine** serves Lightwater, Bagshot and Windlesham

**The Frimley Focus Magazine** serves Frimley, Frimley Green, Mytchett and Deepcut.

## So why should YOU join the growing number of businesses advertising in one or more of our directories?

### It works!

Widely read and used by residents in the target areas, generating so much business for many advertisers that they advertise month on month. For some it's the ONLY form of advertising they need!

### Great Value...

We keep our costs low and prices affordable - a cost effective alternative to the traditional local papers and also free to the reader, giving better coverage in your area.

### High Quality...

Full colour, high quality, gloss paper and print keeps your advert looking it's absolute best.

### Longevity...

Unlike local and free newspapers, our directories are kept by the majority of households, so our advertisers are easily at hand when readers require their services.

### Truly local...

Our advertisers all operate in or close to the distribution area. Evidence shows the majority of people prefer truly local services.

### Distribution...

Our reliable team aim to distribute all copies by the end of the first week of each month. Copies are also available from several 'pick up points' throughout the target areas.

I'm delighted with the steady flow of enquiries and business I get from the magazine and will continue to advertise for the foreseeable future!

We gratefully acknowledge the support of businesses whose adverts appear in our publications and whilst very care is taken to ensure accuracy, the publishers cannot accept responsibility for loss, damage or omission caused by error in the printing of an advert or other information.

Adverts are accepted on the understanding that the description of goods and services are fair and accurate. The publisher cannot accept responsibility for views expressed by contributors, or for the accuracy of claims made by advertisers.

We reserve the right to refuse advertisements which may be defamatory or offensive or which products that may be considered indecent.

We take no responsibility for the content of your advert. It is your responsibility to ensure that your advert is legal and copyright free. We cannot accept ads which you do not have permission to copy. This includes images, logos, clip art or any other content that is used in the advert. It is the advertiser's responsibility to acquire permission for the use of any content that is used in their advert.

It is the advertiser's responsibility to check the advert to ensure

that it is correct at copy approval stage. No responsibility will be taken by the publisher for any errors subsequently identified.

Any advert supplied in JPEG or PDF or any other pre-prepared format is assumed not to require copy approval and will be inserted as supplied. These files should be supplied in a minimum of 300 dpi. No responsibility can be taken for the print quality of any advert supplied in a lower resolution. We make no guarantees that your ad will be successful. We are therefore unable to offer you a refund if you receive no response. The cost of your ad covers the cost of printing.

Once an advertising package has been confirmed, either by telephone call, email or letter, no refunds can be given if the advertiser subsequently decides to cancel their package. If the advertiser informs the publisher before the copy deadline that

they wish to cancel, the publisher will endeavour to re-sell the space. If the space is re-sold, the cost of the cancelled booking is not due. If, however, the space is not sold, or is sold for less than the original booking, the advertiser will be charged for the balance. Any cancellations received after the copy deadline will be invoiced in full. In any event of cancellation, any costs incurred for artwork set-up or graphic design services will still be due at the full rate.

When you book your ad, you are agreeing to pay the current price by the due date. The due date is as stated on your invoice.

In cases of overdue accounts, we will exercise our statutory rights under the Late Payment of Commercial Debts (Interest) Act 1998. In this respect, interest at a rate of 3 per cent above the base rate per 14-day period will be added, compounded in each 14 day period on any outstanding balance from the date of invoice until the date of receipt of payment in full. Also, please be advised that, in accordance with European Directive 2000/35/EC, a debt recovery fee of £40 will be charged.

We reserve the right to amend the distribution route. Delivery is subject to access.

It has provided my IT business with some quality local leads – a great return on investment.
